International Dogshow in Neumünster

Holstenhallen, Justus-v.-Liebig Str. 2-4, 24537 Neumünster

6th and 07th June 2020

Dear Exhibitior!

We would like to provide a better understanding of our German show system and therefore a few informations and regulations are stated below. The Show will be held under the Rules and Show Regulations of the Verband für das Deutsche Hundewesen (VDH, www.vdh.de) and the FCI.

Dogs will be admitted to the show ground from 7:00 h on each day of the Show. Judging will commence at 09:30 h.

Dogs presented must have been vaccinated against **Rabies** a minimum of 3 weeks prior to the show (proof shall be given). The antirabic vaccination shall be valid for 12 months from the date of vaccination. If a longer validity is asserted, then this must be proven by an entry in the validity field of the vaccination certificate or the EU-Pet Passport in the 'valid until' field. If the vaccinated dog is revaccinated before the expiration of previous vaccination, the so-called 3 weeks limit shall not apply. Exhibitors will have the possibility to gain the official veterinary statement for re-entry into their country.

Entry for the Show is restricted to dogs who are 6 months old on the day before the show. **Dog show ban for dogs cropped contrary to animal protection law**. In accordance with the „Tierschutz Hundeverordnung" (animal protection dog regulations) from the 1st May 2002 the following dogs will be banned from participating at dog shows both at home and abroad: 1. Ears cropped after 01.01.1987; 2. Tail cropped after 01.06.1998 (exception: dogs used for hunting in accordance with german law for the protection animals); 3. The ban is not enforced in exceptional cases if a medical indication is known, the corresponding certification must be enclosed together with the entry.
You need to bring the pedigree of the entered dog with you. Dogs with a working certificate are only eglible in a working dog class (Gebrauchshundklasse), if a statement of the national Kennel Club is added to the entry form.
If you want to enter in the champion class a photocopy of the champion title must be sent with the entry form.
If this statement is still missing at the entry closing date, the dog has to be shown in the open class. Please send a copy of the certificate to Ausstellung@vdh-nord.de.
Dogs will be judged in the following order (§48): Veteran class, Puppy class (Jüngstenklasse), Youth- (Jugend-), Intermediate- (Zwischen), Champion- and Open class (Offene Klasse).
Exhibitors are responsible to bring their dogs into the ring on time. This is also valid for the last competitions.

The show committee will be most anxious for the care and safety of the dogs brought for exhibition, but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any dogs or other property, whether arising from accident, or other causes whatever, or from any act or omission of itself, its officers, agent, servants or others.

The attention of exhibitors is drawn to the fact that every alteration other than combing and brushing of a dog is strictly forbidden. The use of gallows is forbidden. Double handling is principly not allowed.

Please note, that the dog must reach the minimum age required for each class at the latest on the day of the show. Once the entry for the show has closed it is not allowed to transfer a dog from one class to another.
